

COVID-19 MESSAGE FROM ACORN LIFE DAC

We are monitoring the situation closely and we have contingency plans in place in the event that we face disruption.

The safety and welfare of our staff, advisors and clients is our priority at all times. We have provided guidance, in line with WHO and HSE recommendations, for all our staff and advisors. This includes guidance on protective healthcare and travel advice. We also have the appropriate hygiene and cleaning procedures deployed in all our offices.

Customers should contact us if they need assistance as we have dedicated supports in place to help.

[Telephone 1800 446 446](tel:1800446446) or [Email info@acornlife.ie](mailto:info@acornlife.ie)

We are also working closely with our other group company Acorn Insurance (Telephone 1890 800 222) to best manage the provision of insurance services if the situation escalates.

Stay safe and take care

The HSE and WHO information and guidelines are available at
